# OUR CLIENTELE

Our growing family of clients inspire us to innovate and deliver excellence every day.

# ABOUT US

**HNCO Organics** began its journey as a dedicated manufacturer of herbal ingredients, committed to delivering the purest forms of nature to industries worldwide.

At the heart of HNCO Organics lies a simple belief: **Nature knows best!** We are passionate about creating products that are safe, effective, and aligned with nature's rhythms. Our philosophy is built on purity, transparency, and sustainability, ensuring that every formulation nurtures not just the skin, but also the planet.

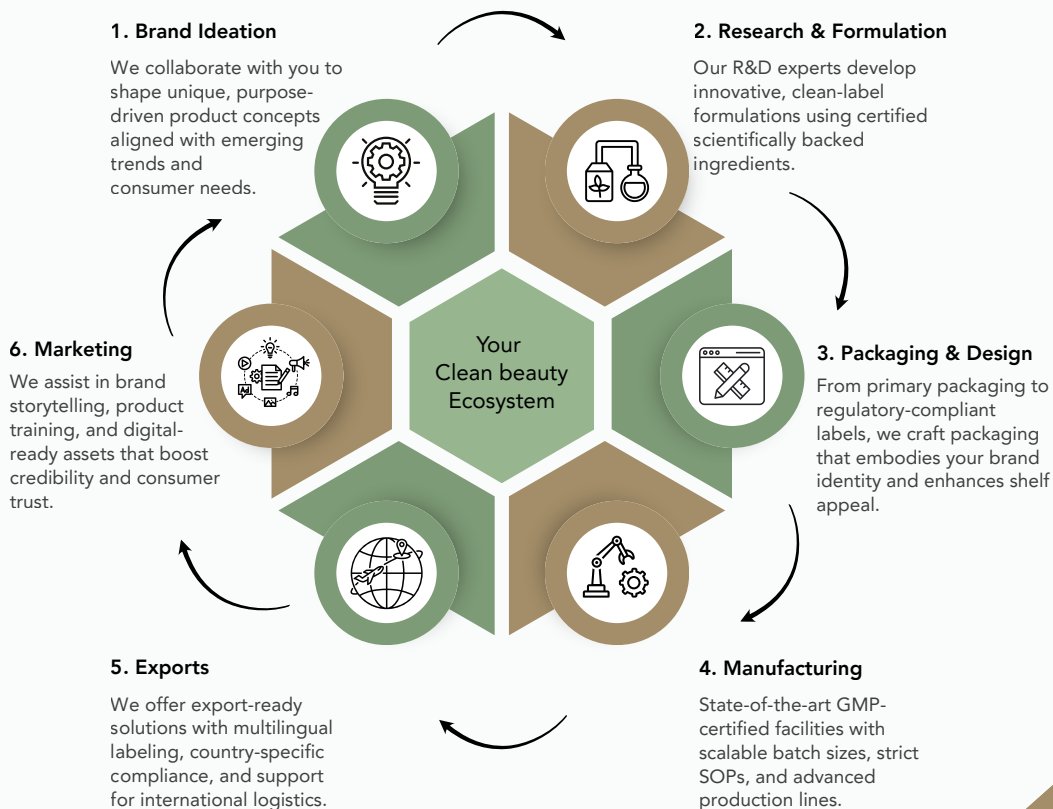

## Our Facility & Manufacturing Capacity

- **GMP-certified facility** with modern production lines
- Dedicated zones for **skincare, haircare, body care, baby care and wellness products.**
- In-house **R&D lab** for product development and testing.
- **Scalable capacity** from small batch trials to bulk production.
- Strict **quality control** with **batch traceability** and documentation.

# HOW WE ADD VALUE ACROSS YOUR PRODUCT JOURNEY

Everything your brand needs- from ideation to shelf!

“We don't just manufacture products. We build brands. We solve problems. We grow with our partners.”  
-Team HNCO Organics”

# FACE CARE

Science meets purity. Skin meets its best self.

From gentle cleansers to glow-boosting serums and hydrating moisturisers, our face care formulations balance tradition with innovation. We use plant-powered actives, dermatological science, and clean ingredients to address every skin need-naturally.

# BABY CARE

Formulated with love. Backed by science.

Our baby care range is ultra-mild, lab tested, and crafted with safe, plant-based ingredients. Cleansers, oils, powders, and lotions that nurture delicate baby skin—designed to comfort, protect, and soothe without being harsh on the skin.
